

IAP Day 1 **Thursday October 8, 2026**

JSP Day 2
IAP Day 2 **Friday October 9, 2026**

Room				Theater # of seats	7:00	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00	21:00			
FICC	1F Entrance Hall or 3F Lobby					JSP/IAP Registration									IAP Registration							
	Room 1	3F Main Hall	1,000				JSP Session		JSP Session		Luncheon Seminar (JSP)		JSP-IAP Joint Symposium Molecular Pathology	JSP Closing Ceremony	JSP-IAP Joint Poster	Keynote Lecture 1 Prof. Young Nyun Park	Opening Ceremony			Specialty Conference 10018 Update in the biomarkers for the best lung cancer treatment		
	Room 2	5F 501	400				Companion Meeting 10009 An update of the WHO Reporting systems in cytopathology: a review, recent developments and how to use the systems		Companion Meeting 10011 From the head to throat: The WHO Reporting System for Head and Neck Cytopathology: diagnoses and reporting		Luncheon Seminar (JSP)		Companion Meeting 10051 Diagnostic Gynecologic Pathology: Cutting-Edge Updates from the ISGyP at IAP								Specialty Conference 10062 Molecular updates in gynaecological pathology	
	Room 3	5F 502+503	240				Companion Meeting 10057 Global Expansion of Digital Pathology and AI		Companion Meeting 10037 Hot Topics in Pancreatobiliary Pathology		Luncheon Seminar (JSP)		Companion Meeting 10027 Points for diagnosing thyroid nodules in Japan which are differed from other countries								Specialty Conference 10048 What to do with difficult well differentiated hepatocellular lesions	
	Room 4	4F 411 + 412	200				Companion Meeting 10044 Updates on Neoplastic and Medical Diseases of the Thorax		Companion Meeting 10016 The Role of the Surgical Pathologist in Recognizing Familial/Hereditary Tumor Syndromes				Companion Meeting 10017 Diagnostic challenges of lung diseases								Specialty Conference 10028 Evolving Concepts in Special Breast Carcinomas and Biomarker Testing: An Integrated Pathology Update	
	Room 5	4F 413	100				Companion Meeting 10055 Cancer Predisposition Syndromes in the Paediatric Population		Companion Meeting 10035 WHO's Next? Updates on Potential Novel Entities, Variants, and/or Genetic Alterations for the Next Edition				Companion Meeting 10025 Immunotherapy-associated Infections								Specialty Conference 10049 AI in Cytology – What Have We Learned So Far in Real Practice?	
	Room 6	4F 414	100				Companion Meeting 10034 Diagnostic Dilemmas: Practical Insights from PathologyOutlines Editors		Companion Meeting 10019 Practical insights into novel biomarkers in Gynecological and Gastrointestinal Cancer				Companion Meeting 10043 POTPOURRI OF INTERESTING CYTOPATHOLOGY AND SURGICAL PATHOLOGY CASES IN THE PHILIPPINES							Welcome Party	Specialty Conference 10008 Mucinous carcinomas of the Gastrointestinal and Gynecological tract - Shedding light in the grey areas	
	Room 7	4F 409	100				Companion Meeting 10040 Diagnostic Mimickers and Misclassification in Small Samples: Insights from Challenging Head & Neck, Lung, Genitourinary, and Cytopathology Cases.		Companion Meeting 10024 Practical Diagnostic Pearls for the Most Frequent Pathologies in Latin America				Companion Meeting 10047 SBP Companion Meeting: How to Better Navigate Through Updated Tumor Classifications and Molecular-Based Systems in Low/Middle-Income Settings								Specialty Conference 10029 Paediatric Thyroid Carcinoma: Evolving Perspectives from Pathogenesis to Prognosis	
	Room 8	4F 410	100				Companion Meeting 10041 The Future of Immunohistochemistry as an Assay		Companion Meeting 10045 Digital and Integrative Cytopathology : the experience of the task force of the French Society of Clinical Cytology				Companion Meeting 10020 Reporting Systems for Non-Gynecological Cytology Specimens: Discussions and Controversies								Specialty Conference 10013 The Use of Small Samples in Pancreas and Thyroid/Head and Neck lesions: Two Distinct Perspectives – Classical and Innovative?	
SunPalace	Room 9	2F Palace Room	400			Setup and Installation																
FICC	JSP Exhibition (IAP Exhibition)	3F Lobby					Open															
	Exhibition (Food & Bevarage)	2F Multi Purspose Hall	IAP Exhibition Poster Coffee Break				JSP-IAP Joint Poster Mouting											Poster Removal	Preparation for the Welcome Party			

IAP Day 3- **Saturday October 10, 2026**

Room			Theater # of seats	7:00	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00	21:00			
FICC	1F Entrance Hall or 3F Lobby					IAP Registration															
	Room 1	3F Main Hall	1,000				Symposium Cytopathology		Symposium (IAP British) In honour of the late Professor Raymond F T McMahon (1956-2025)				Keynote Lecture 2 Prof. Mary Kay Washington		Symposium International Classification and Reporting Systems for Tumor Diagnosis			Specialty Conference 10046 Lung Cancer and thymoma, challenges in diagnosis and biomarker assessment			
	Room 2	5F 501	400				Symposium Familial Tumor Pathology		Sponsored Seminar 1			Luncheon Seminar			Sponsored Seminar 2			Specialty Conference 10007 Making a Molehill Out of a Mountain: A Step- Wise Approach to Diagnosis of Salivary Gland Neoplasms			
	Room 3	5F 502+503	240				Short Course: Bone		Slide Seminar: Bone						Proffered Paper: Bone	Educational Lecture		Specialty Conference 10056 Perinatal Pathology in the 21st Century,			
	Room 4	4F 411+412	200				Short Course: Mammary Glands		Slide Seminar: Mammary Glands						Proffered Paper: Mammary Glands			Specialty Conference 10064 A practical approach to the histopathology diagnosis of testicular germ cell tumors of postpubertal patients			
	Room 5	4F 413	100				Short Course: Hepatobiliary System (Liver and Biliary Tract)		Slide Seminar: Hepatobiliary System (Liver and Biliary Tract)						Proffered Paper: Hepatobiliary System (Liver and Biliary Tract)			Specialty Conference 10002 Cytology Gray Zones: Addressing Indeterminate Categories in Major Reporting Systems			
	Room 6	4F 414	100				Short Course: Dermatopathology	Poster	Slide Seminar: Dermatopathology					Poster	Proffered paper: Dermatopathology			Specialty Conference 10030 Update in Dermatopathology			
	Room 7	4F 409	100				Short Course: Mesothelium		Slide Seminar: Mesothelium						Proffered paper: Mesothelium			Specialty Conference 10052 Practical and effective work-up of renal tumors with (or without) molecular tests in the era of molecular pathology			
	Room 8	4F 410	100				Specialty Conference 10063 Pathological Morphology of the Utero-Placental Area and Myometrium with Iron Deficiency Anemia of Pregnancy.		Short Course: Pituitary Gland						Specialty Conference 0001 Dermatopathology Infectious Disease Multiverse of Madness			Specialty Conference 10014 Advancing Thyroid Pathology: Asian Perspectives and Global Implications			
SunPalace	Room 9	2F Palace Room	400				Meet the Mentor & Post Doc.		Sponsored Seminar 3			Luncheon Seminar			Sponsored Seminar 4			Specialty Conference 10023 Emerging and Re-emerging Infections in the 21st Century			
FICC	JSP Exhibition (IAP Exhibition)	3F Lobby						Open													
	Exhibition (Food & Bevarage)	2F Multi Purspose Hall	IAP Exhibition Poster Coffee Break				Poster Mounting	Open							Poster Removal						

IAP Day 4- **Sunday October 11, 2026**

Room			Theater # of seats	7:00	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00	21:00		
FICC	1F Entrance Hall or 3F Lobby					IAP Registration														
	Room 1	3F Main Hall	1,000				Symposium Education 1		Symposium Education 2			Keynote Lecture 3 Prof. Jason L. Hornick		Special Lecture 1 Prof. Shuji Ogino			Specialty Conference 10003 Bread and Butter in Head and Neck Pathology: Morphology Reigns Supreme			
	Room 2	5F 501	400				Short Course: Soft Tissue		Slide Seminar: Soft Tissue		Luncheon Seminar			Sponsored Seminar 5			Specialty Conference 10054 Equity and Innovation in the WHO Tumor Classification: Striking the Right Balance			
	Room 3	5F 502+503	240				Short Course: Gastrointestinal Tract (GI Tract) 1		Slide Seminar: Gastrointestinal Tract (GI Tract)					Proffered Paper: Gastrointestinal Tract (GI Tract)			Specialty Conference 10032 Un-diagnosing Inflammatory Bowel Disease (IBD)- A case-based approach			
	Room 4	4F 411+412	200				Short Course: Lung and Mediastinum (Neoplastic)		Slide Seminar: Lung and Mediastinum (Neoplastic)					Proffered Paper: Lung and Mediastinum (Neoplastic)			Specialty Conference 10039 Digital Pathology and AI			
	Room 5	4F 413	100				Short Course: Pancreas		Slide Seminar: Pancreas					Proffered Paper: Pancreas			Specialty Conference 10036 Small Samples in lung cytopathology: Integration of small biopsy and cytological specimens			
	Room 6	4F 414	100				Short Course: Brain and Nervous System (Neoplastic)	Poster Viewing	Slide Seminar: Brain and Nervous System (Neoplastic)					Poster Viewing	Proffered Paper: Brain and Nervous System (Neoplastic)		Specialty Conference 10053 Overdiagnosis and Underdiagnosis of Breast Malignancy: Azzopardi's			
	Room 7	4F 409	100				Short Course: Endocrine System - Thyroid and Parathyroid Glands		Slide Seminar: Endocrine System - Thyroid and Parathyroid Glands					Proffered Paper: Endocrine System - Thyroid and Parathyroid Glands			Specialty Conference 10005 Cyto-histological correlation and the world of genetic alterations. What the pathologist needs to know from the new Bethesda System and WHO 2022 Classification			
	Room 8	4F 410	100				Short Course: Infectious Diseases		Slide Seminar: Infectious Diseases					Proffered paper: Soft Tissue			Specialty Conference 10050 Sex Cord-Stromal Tumors of the Gonads: A Practical Approach for The Surgical Pathologist Highlighting Diagnostic Clues and Ancillary Testing			
SunPalace	Room 9	2F Palace Room	400				Sponsored Seminar 6		Sponsored Seminar 7					Specialty Conference 10042 Recent Advances in Urologic Surgical Pathology			Specialty Conference 10004 Molecular interrogation of genitourinary malignancies with clinicopathologic annotations			
FICC	JSP Exhibition (IAP Exhibition)	3F Lobby							Open											
	Exhibition (Food & Bevarage)	2F Multi Purspose Hall	IAP Exhibition Poster Coffee Break				Poster Mounting							Poster Removal						

IAP Day 5- Monday October 12, 2026

	Room		Theater # of seats	7:00	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00	21:00
FICC	1F Entrance Hall or 3F Lobby					IAP Registration												
	Room 1	3F Main Hall	1,000			Long Course Digestive Organs		Long Course Digestive Organs			Keynote lecture 4 Prof. Abbas Agaimy		Special Lecture 2 Prof. Albert Roessner	Symposium Autopsy Pathology				
	Room 2	5F 501	400			Symposium Young Pathologists		Sponsored Seminar 6		Luncheon Seminar			Short Course: Gastrointestinal Tract (GI Tract) 2					
	Room 3	5F 502+503	240			Short Course: Genitourinary		Slide Seminar: Genitourinary					Proffered Paper: Genitourinary					
	Room 4	4F 411+412	200			Short Course: Hematolymphatic		Slide Seminar: Hematolymphatic					Proffered Paper: Hematolymphatic					
	Room 5	4F 413	100			Short Course: Head and Neck Region, Including Salivary Glands		Slide Seminar: Head and Neck Region, Including Salivary Glands					Proffered Paper: Head and Neck Region, Including Salivary Glands + Oral Cavity					
	Room 6	4F 414	100			Short Course: Kidney (Non-neoplastic)	Poster Viewing	Slide Seminar: Kidney (Non-neoplastic)				Poster Viewing	Proffered Paper: Kidney (Non-neoplastic)	Proffered Paper: Brain, Nerves, and Muscles (Non-neoplastic)				
	Room 7	4F 409	100			Short Course: Lung (Non-neoplastic)		Slide Seminar: Lung (Non-neoplastic)					Proffered Paper: Lung (Non-neoplastic)	Proffered Paper: Cardiovascular System and Blood Vessels				
	Room 8	4F 410	100			Short Course: Endocrine System: Adrenal Glands		Slide Seminar: Endocrine System: Adrenal Glands					Proffered Paper: Endocrine System: Adrenal Glands	Proffered Paper: Endocrine System: Pituitary Gland				
SunPalace	Room 9	2F Palace Room	400			Short Course: Female genital tract		Slide Seminar: Female genital tract					Proffered Paper: Female genital tract					
FICC	JSP Exhibition (IAP Exhibition)	3F Lobby						Open										
	Exhibition (Food & Beverage)	2F Multi Purspose Hall	IAP Exhibition Poster Coffee Break			Poster Mouting										Poster Removal		

Social event/Gala Dinner
19:00-21:00
@Hotel Okura

IAP Day 6- Tuesday October 13, 2026

	Room		Theater # of seats	7:00	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00	21:00
FICC	1F Entrance Hall or 3F Lobby					IAP Registration												
	Room 1	3F Main Hall	1,000			Symposium Transplantation Pathology		Symposium AI/ Digital Pathology		Closing Ceremony								
	Room 2	5F 501	400			Symposium Women in Pathology		Educational Lecture 1	Educational Lecture 2	Educational Lecture 3								
	Room 3	5F 502+503	240			Short Course: IAP2030 Singapore		Short Course: IAP2028 USCAP										
	Room 4	4F 411+412	200			Short Course: Cardiovascular System and Blood Vessels 1		Short Course: Cardiovascular System and Blood Vessels 2										
	Room 5	4F 413	100			Short Course: Oral Cavity		Slide Seminar: Oral Cavity										
	Room 6	4F 414	100			Short Course: Brain, Nerves, and Muscles (Non-neoplastic)	Poster Viewing	Slide Seminar: Brain, Nerves, and Muscles (Non-neoplastic)										
	Room 7	4F 409	100			Short Course: Pediatric disease		Slide Seminar: Pediatric disease										
	Room 8	4F 410	100			Short Course: Eye and Ocular adnexa		Proffered Paper: Eye and Ocular adnexa										
SunPalace	Room 9	2F Palace Room	400															
FICC	JSP Exhibition (IAP Exhibition)	3F Lobby						Open										
	Exhibition (Food & Beverage)	2F Multi Purspose Hall	IAP Exhibition Poster Coffee Break			Poster Mouting				Poster Removal
